Holiday Gift Campaign

Children's wish lists available Monday, November 2, 2015

(Wishes available via e-mail or handwritten Santa cards)

Please help bring holiday cheer to our 72 boys and teens in residence; 180 boys, girls and teens with autism, developmental and learning disabilities attending school on our campus; and 9 males that have aged out of foster care, by:

- Requesting a wish list and fulfilling a youth's holiday wish
- Donating a gift card (Target, Visa, Wal-Mart, Kohl's, etc.)
- Donating unwrapped gifts that will be matched to a child's wish list
- Making a tax-deductible donation to help support our holiday gift campaign and activities for our children and youth

Each gift usually averages \$25-\$35 in value.

Gifts should be delivered to Haynes Center at 233 W. Baseline Road in La Verne by Friday, December 11, 2015.
