Proceeds benefit children living

Title Sponsor was Ontario Refrigeration, a commercial air conditioning and heating and controls

company.

Additional major sponsors included BNI, RSD (Refrigeration Supplies Distributor), Hardy Insurance and Risk Management, The Renken Company, E.L. Plumbing and HUB Insurance. The group home facility has grown from its initial 10 residents to six cottages, each housing 12 children. Mental health treatment services are provided to every resident.

The Haynes Education Center, a non-public school founded in 1989 as a companion to the group home facility, initially provided schooling to the children of what was formerly LeRoy Boys Home. It has grown to serve not only the children who live on campus but the community as a whole, accepting children (boys and girls) from 14 school districts throughout Southern California.
