

SAN DIMAS CHAMBER OF COMMERCE CORNER

Leroy Haynes to Host Joint Chamber Mixer - June 20th *Member Mixers Offer Business Networking Opportunities*

Ease into summer at our next networking mixer being hosted by Leroy Haynes on Wednesday, June 20th, which is located at 233 Baseline Road in La Verne. The center is to strengthen the Mind and Spirit of children with emotional, special learning, and developmental needs by providing specialized programs in a nurturing, caring and therapeutic environment.

The mixer starts at 5:00 p.m. and offers door prizes and our traditional Pot O' Gold, which is now at \$300.00. Members are encouraged to bring door prizes to

promote their business and also bring lots of business cards to share with new contacts. There is no charge for our mixers and prospective members are always welcome and encouraged to come by.

Our usual third Thursday mixer has been moved up to the third Wednesday of the month to offer members a great opportunity to network with members from Claremont, Glendora, Irwindale, La Verne, Pomona, San Dimas and Upland. See you all there.
