

# School Accountability Report Card Reported Using Data from the 2020–2021 School Year

California Department of Education

*For Joan Macy School*

**Address:** 1350 Third Street, La Verne, CA 91750 **Phone** (909)596-3173

**Principal:** Monica Kirk

**Grade Span:** 1-12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

**Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

**Throughout this document the letters DPL refer to data provided by the LEA, and the letters DPC refers to data provided by the CDE.**

**Table 3: School Description and Mission Statement (School Year 2021–2022)**

*Joan Macy is a Title I School that offers an educational program designed to meet the specific needs of our students. We are a non-public school and work collaboratively with Bonita Unified School District, as well as other surrounding school districts to meet the educational needs of the students. We are fully certified by the California Department of Education to serve the students in grades 1<sup>st</sup>-12<sup>th</sup>. Since most of our students participate in an integrated, therapeutic program consisting of personal and family counseling, our school routine is flexible and individualized to meet the needs of our population. The ultimate goal of our program is to positively return our students to the community setting.*

*Goal Statement: The purpose of Joan Macy School is to provide a beneficial environment where students can develop academic, social and vocational skills that will enable them to transition independently and successfully into the community.*

## **A. Conditions of Learning**

### **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

**Table 6: Teacher Preparation and Placement (School Year 2020–2021)**

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

**Table 11: School Facility Conditions and Planned Improvements**

Joan Macy School is located on the grounds of David and Margaret's Residential Facility. It is a gated facility and visitors are screened upon entry. The greenery of the trees and lawns provide a park-like feeling. It has a relaxing and tranquil atmosphere in which visitors, parents and students find inviting. The grounds are maintained and groomed weekly after school hours, as to not disrupt student education. Further into the facility is the Joan Macy School. There are 4 classrooms, a Multi-Purpose Room/Gym, Woodshop class, a playground area and a pool. Joan Macy promotes an enjoyable atmosphere for learning. There are planned improvements for the basketball/volleyball area.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **SARC Reporting in the 2020–2021 School Year Only**  
Where the most viable option, LEAs were required to administer the statewide summative assessments for ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:
    - Aligned with CA CCSS for ELA and mathematics;
    - Available to students in grades 3 through 8, and grade 11; and
    - Uniformly administered across a grade, grade span, school, or district to all eligible students.
  - **Options:** Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:
    - Smarter Balanced ELA and mathematics summative assessments;

- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**Table 14: CAASPP Test Results in ELA and Mathematics for All Students  
Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment  
Percentage of Students Meeting or Exceeding the State Standard**

<b>Subject</b>	<b>School 2019– 2020</b>	<b>School 2020– 2021</b>	<b>District 2019– 2020</b>	<b>District 2020– 2021</b>	<b>State 2019– 2020</b>	<b>State 2020– 2021</b>
<b>English Language Arts/Literacy (grades 3-8 and 11)</b>	N/A	N/A	N/A	N/A	N/A	N/A
<b>Mathematics (grades 3-8 and 11)</b>	N/A	N/A	N/A	N/A	N/A	N/A

Note: The 2019–2020 data cells with N/A values indicate that the 2019–2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019–2020 school year.

Note: The 2020–2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020–2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020–2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020–2021 school year to other school years.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**Table 21: Career Technical Education Programs (School Year 2020–2021)**

*Per each students IEP, prior to their 16<sup>th</sup> birthday, each student is assessed for post-secondary educational goals, employment goals and independent living goals in order to develop their Individual Transition Plan (ITP). Students are given interest inventory assessments using COPS II or cacarrerzone.org. These assessments explore students' interests, whether in service, science, technology, or career interest. Students also participate in Life 101 class, where they learn about daily living expenses, cost for housing, budgets, transportation costs, filling out job applications, participate in mock interviews, college applications, assistance with FAFSA and much more. Students have opportunities to work on or off campus. Field trips to local colleges are taken during 2<sup>nd</sup> semester. Students participate in a "Street Law" course in which information is provided regarding laws as an adult and their rights. During senior year, students are provided a folder that includes pertinent information needed for college, Job Corps and Dept. of Rehabilitation.*

## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

**Table 24: California Physical Fitness Test Results (School Year 2020–2021)**

Note: Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020–2021 school year and therefore no data are reported.

### C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

**Table 25: Opportunities for Parental Involvement (School Year 2021–2022)**

*As we provide services for surrounding districts, districts email information for various programs in their community for parental involvement. This may include tutoring, parent workshops, and wellness programs. Parents are also encouraged to participate in their child's educational program and are mailed quarterly progress/report cards. The school sponsors a Student Recognition Awards Banquet each semester. Parents as well as community members are invited to attend. Promotion and Graduation, which is the highlight of the year where many parents and community members celebrate our students.*

## State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

### **State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Note: The 2019–2020 suspensions and expulsions rate data are not comparable to other year data because the 2019–2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–2020 school year compared to other school years.

**Table 32: School Safety Plan (School Year 2021–2022)**

*Joan Macy has a Disaster Plan in cases of emergency. At the beginning of each school year, staff provide and review with students, safety guidelines and protocols. Fire/Earthquake drills are scheduled and conducted monthly. A check list for attendance is conducted after each drill. Exit/Evacuation signs are displayed in all classrooms and the school office. Lock Down drills are conducted 1-2 times per year. There is a Crisis Team in place in the event of an emergency or disaster. Policies are on file as well as in employee handbooks for their review. There is a safety team that meets and adjusts plans as needed. There are disciplinary plans and guidelines that govern student behaviors. Students are provided with school expectations for behavior in/out of school, as well as transportation guidelines and expectations. Students acknowledge receiving policies and protocols by signing forms at the beginning of each school year or during orientation.*

## Addendum

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC Web Application as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC Web Application. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.

Note: N/T values indicate that the schools in this LEA did not test students using the CAASPP for Mathematics.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

\*At or above the grade-level standard in the context of the local assessment administered.

Note: LEAs/schools will populate this table for schools in cases where the school administered a local assessment.

Note: LEAs/schools will populate double dashes (--) in this table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: In cases where all the schools in this LEA administered only the CAASPP for ELA assessment, LEAs/schools will populate this table with "N/A" values in all cells, meaning this table is Not Applicable for this LEA.
